

Immediate Press Release

2 October 2018

Regarding Hokkaido Government covers up to 70% of cost of tourist trips to Hokkaido

The Hokkaido government has announced to provide subsidies covering up to 70% of the cost of tours to Hokkaido starts from October 1, 2018. Currently, the Hokkaido government only announced the support measure for domestic travellers, as support measure for International travellers is yet to announce. We seek your patience and understanding for new announcement of Hokkaido campaign for International travellers.
